Please mail this form or money order to the "Passaic River Coalition" at 94 Mt. Bethel Rd, Warren, NJ 07059. We appreciate your support! The Passaic River Coalition is a registered 501(c)(3) tax-deductible, non-profit charity. For more information, please visit www.passaicriver.org.

The Passaic River Coalition, founded in 1969, has been working to protect our water resources by advising the residents, businesses, and governments of the Passaic River watershed on issues of land and water resource management and public health. We advocate to get funding for open space, to keep wells safe from contamination, to get people moved out of flood zones, to ensure that enough clean water exists to keep our citizens safe and healthy.
